

3/23

§490-EEE

4. Criteria for approval

E). Surface Water

A site shall not cause a discharge of pollutants or discharge groundwater containing pollutants into surface waters of the State that violates either the Surface Water Classification Program, 38 M.R.S.A. §464 et seq., or the Protection and Improvement of Waters Act, 38 M.R.S.A. §414-A.

Amendment submitted by Nick Bennett, Natural Resources Council of Maine
